Brilliant Convention Centre, Indore

INDUSTRY EXPERTS | INTERACTIVE TALKS
EXPERT VIEWS | CROPS OUTLOOK | NETWORKING

REGISTER NOW!

Hey Everyone,

Welcome to the 5th edition of the International Soy Conclave (ISC) organised by SOPA.

We are pleased to announce that the 5th edition of The International Soy Conclave, the annual summit of the Soy Value Chain, will be held on 8th and 9th October, 2022 at Brilliant Convention Centre Indore. ISC is the only national event where oilseeds, particularly soybean processors and other stakeholders in the edible oil sector get together to network, share information and knowledge and discuss policies which make a difference to this industry. **The Soy Conclave is India Centric i.e. it focusses on local production and Atmanirbhar** India rather than an industry dependent on imports.

The theme of Soy Conclave 2022 is **UNFOLD NEW OPPORTUNITIES.**

Over the years, the event has become very popular because of its rich programme content which includes presentations on –

- Latest technological developments,
- Global demand and supply forecasts
- Price outlook session
- Managing volatility
- Soy Value Addition
- Most authentic crop estimates by SOPA
- Developments in Soybean cultivation

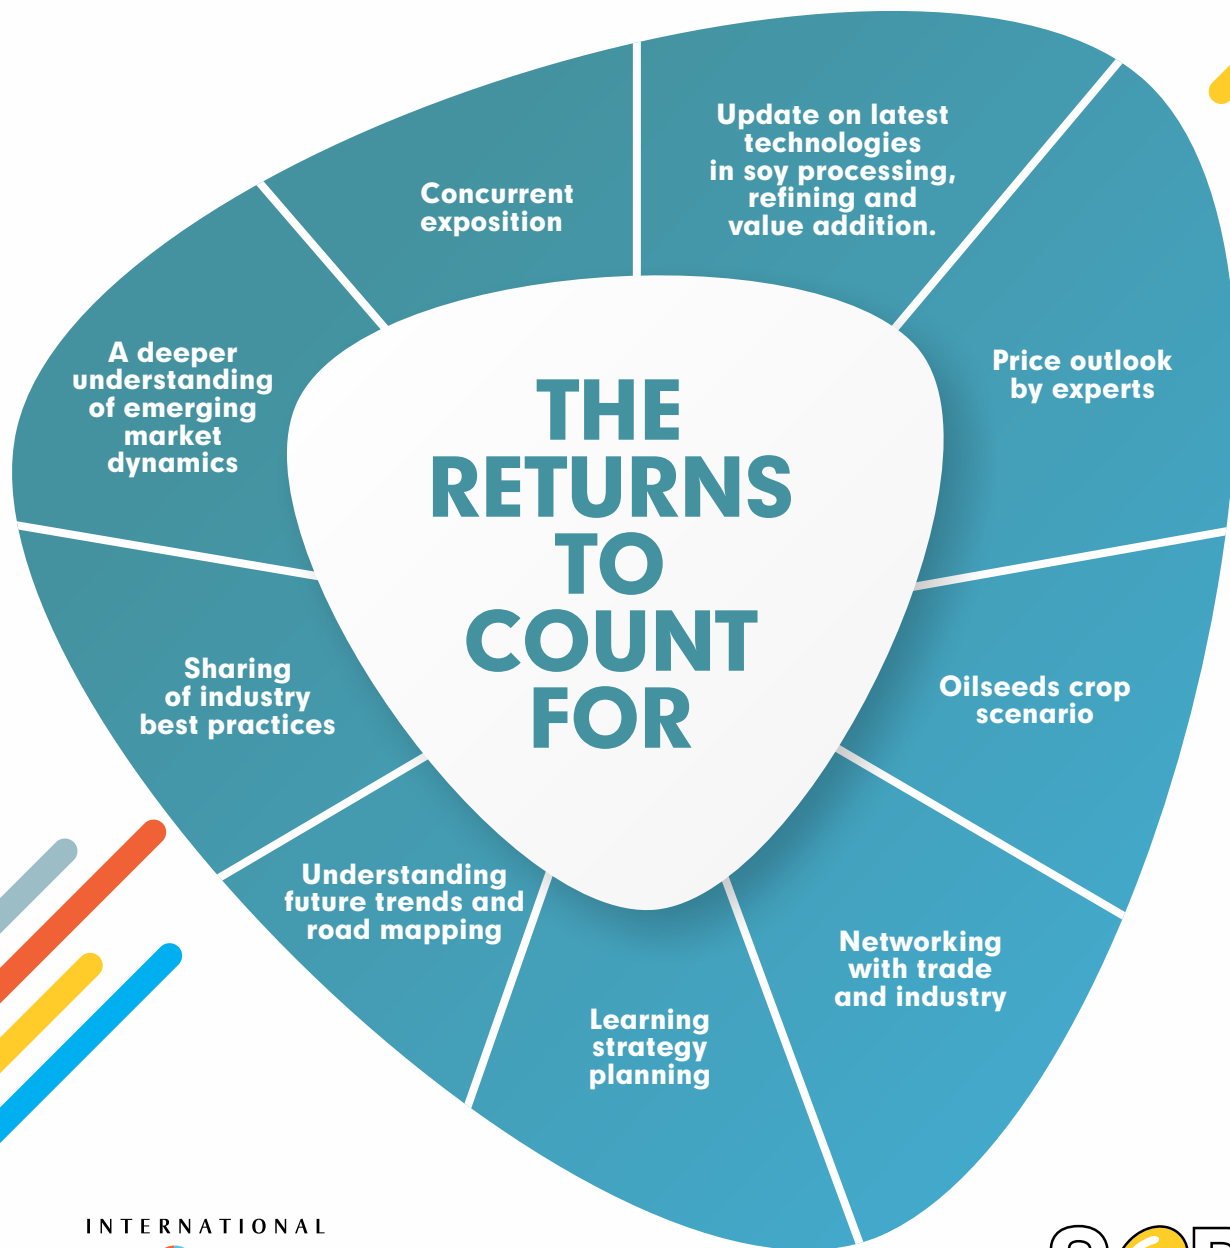

The conclave would bring such eminent participants and subject matter experts to the table as policy makers, agriculture scientists, commodity trade, processing technology,

quality assurance, agriculture finance, storage and warehousing etc. It would also give policy makers a chance to listen to the experts on the topic and to better understand the implications of their actions, rather than relying on lobbyists and other groups to speak on their behalf.

Other than networking, the Soy conclave offers an opportunity to the trade and industry to interact with their counterparts and conclude actual business on the spot.

Along with the conclave, an exhibition will also be held at the venue for display of products and services. This will be an excellent opportunity for directly reaching out to your customers and marketing your products/services on a one-to-one basis to the entire soybean and edible oil trade and industry. A colourful souvenir with a treasure of information will also be released.

Please come and attend the International Soy Conclave. The tentative programme, details of the conclave, souvenirs and exhibition, along with the registration/ booking forms are attached. We look forward to your support and participation to make the Conclave a grand success.

TENTATIVE PROGRAMME

8TH OCTOBER 2022

Brainstorming Session – Surviving Through Volatility
